**15, 16, 17 December 2023**  
Dana Mandi, Bahadur Ke Road,  
Ludhiana, Punjab, India.

## **“Dychem” Zone at YARNEX Ludhiana**

As Textile Fairs India - TFI prepares for its 2023 show in Ludhiana, It has added a separate zone **DyChem** for the manufacturers & suppliers of dyes, chemicals and textile processing houses. To provide value additions, this special zone has been created at the shows after interacting with the buyers, who have visited the previous editions.

DyChem constitutes the ideal place for managers, decision makers or other businessmen involved in the dyes, chemicals & process sector to meet key professionals in order to share knowledge, have a look at the latest products and production processes as well as to discuss future aspects of the industry. The sector will present future-oriented innovations for the international garment-manufacturing and textile processing sectors. Also provides insight into a wide range of application areas reaching from organic to inorganic chemicals used in nearly all matters of daily business.

**DyChem** is scheduled on 15, 16, 17 (Fri, Sat, Sun) December 2023 at Dana Mandi, Bahadur ke Road, Ludhiana, alongside Yarnex and TexIndia.

### **EXHIBITOR PROFILE:**

**Dyes, Pigments & Auxiliaries:** All types of textile dyes - Reactive, Disperse, Sulphur, Acid, Alkaline, Vat, Direct, Cationic, Oil-Soluble, Pigments, Printing Paste, Printing Ink, Ink, Auxiliaries, etc.

**Chemicals & Intermediates:** Intermediates, Pre-treatment & Finishing Agents, Chemicals, Bioenzymes, etc.

**Services for Dyeing, Printing & Processing:** Service providers of Dyeing, Printing, Fabric Processing, Garment & Fashion Retail Industry.

**VISITOR PROFILE:** Serious decision makers from India and overseas who represent international buying houses & buying agents, garment manufacturers & exporters, processors of clothing & textiles, apparel brands, retail chain stores, fashion designers, wholesalers, distributors, importers & trade body representatives.
